ABOUT US

Momentum Title Agency LLC is the first of its kind in Arizona: Agent, Lender, Investor, and Employee owned full service Title and Escrow company licensed to close transactions in all of Arizona and soon expanding to other states.

MTA has employed the finest State of the Art technology that is entirely paperless to ensure the quickest, easiest, and safest transaction all the while providing the customers a truly "White Glove Experience."

"The main value that distinguishes MTA from every other title and escrow company is that we are owned by our customers and employees. With everybody in the transaction rowing the boat in the same direction and on the same page knowing that it is about the CONSUMER we all work together to make the transaction as smooth as possible, said Morgan Harris, Founder and Managing Partner." Harris continues, "I have the BEST partners in the World and without them we would not be where we are today."

With nearly 200 years of combined real estate, title and closing, and mortgage experience MTA will change the closing experience forever.

YOU-have the opportunity to invest in MTA through ownership units to derive residual income like never before in our industry.
